Dear Families,

Happy October! I would like to take a moment to say thank you. I know it is not always convenient having to wait for someone to let your child into the building in the morning when you are trying to leave for work. I also understand that at the end of the day you want to be able to pick your child up and get home quickly. I want each of you to know how genuinely grateful I am to have such wonderful families at our center who have received all the changes we have had to make with nothing but patience and understanding. Thank you all!

-Mrs. Hannah

## Important News

- Please be sure to dress your child appropriately for the changing weather. As long as it is not raining, each class (with the exception of the nursery) will be going outside at least twice a day for play time. Even if it is warm in the afternoon, it is often chilly in the morning. Dressing in layers is key this time of year.
  - With the uptick in colds and runny noses, we would be grateful for tissue donations if you feel inclined 😊 Thanks in advance!
- 

## Upcoming Events and Important Dates

### October 27

Book orders and payment are due

### October 30

Orange Day! Remember to wear your orange clothes to celebrate Orange Day.

## More Important News

### Change in COVID policy

We have made some changes to our current COVID policy. In last month's newsletter, we asked that if your child ran a fever, you either have them tested for COVID or keep them quarantined for the full 14 days before returning. The problem we have run into with that policy is that kids run fevers for so many varying reasons. The new policy we are implementing states that your child must be fever free without medication for 48 hours before they are allowed to return. If you have any concerns regarding this change in policy, please feel free to contact us.
